Schedule for SDR Forum Portland Meeting 16-19 June 2008 (as of 14 June 2008)

Thursday, 19 June – 08h30 to 17h00

- **SDR Forum Workshop: "Safely Accessing the TV White Space Spectrum - What Can We Do???"**
Keynote speakers from Google Inc. and The Association for Maximum Service Television, Inc (MSTV) will join industry leaders from IEEE 802.22, Motorola, Shared Spectrum Company, TDK, Phillips and the Institute for Infocomm Research in presenting their perspectives on the topic of TV White Space Communications in an all day workshop on June 19th held in conjunction with the SDR Forum meeting. Entitled "Safely Accessing the TV White Space Spectrum - What Can We Do???", this workshop is aimed at providing a neutral venue for discussion, allowing the Forum's members and guests to understand the issues and concerns, separate the facts from the myths, and uncover areas of agreement.
- **Meeting of the OMG Software Based Communications Domain Task Force (if necessary)**

Friday, 20 June – 08h30 to 10h30

- **SDR Forum Officers Meeting:** Agenda TBD

Not Meeting In Portland

- **Space Working Group**
- **Education Working Group**
